Pine Mountain Club

Pine Mountain Club--the nearby faraway place--is one of Southern California's most beautiful residential communities- Beechwood Way, Pine Mountain Club, CA 93222

Pine Mountain Club offers delightful full-time living and fun-filled, relaxing weekends. Located in a spectacular mountain setting just 90 miles north of Los Angeles, it is surrounded by 1.7 million acres of old forests that shelter an array of flora and fauna, including the rare California Condor, through its ever-changing four seasons. We invite you to share it with us.

PMC's recreation opportunities abound, ranging from a PGA-rated 9-hole golf course, swimming pool, tennis courts and equestrian center to a clubhouse with a lounge providing live entertainment, outdoor concerts during the summer and an upscale restaurant. In the center of town, a village center with retail stores, restaurants, a park with a playground, a beautiful inn and a gazebo offers convenience in an Alpine setting. Special events -- such as the Lilac Festival, Run to the Pines Car Show and Wine in the Pines -- take place at various times during the year. Endless trails, abundant wildlife and clear skies make PMC a little slice of paradise.

Golf Course

Our golf course is a challenging, executive course with three par 4's (longest at 295 yards) and six medium-to-long par 3's (one at 229 yards). We have separate sets of tees at different angles and yardages for the front and back nines, which makes for an enjoyable 18-hole round.

PMC Golf Course is a private facility open to members (property owners) and guests. We host outside tournaments and group outings on a limited basis. Call the golf shop for details.

Dress Code

Appropriate golf attire required. No tank tops, short shorts, sandals, etc.
